

Announcement of the ICDAD General Assembly 2020

Tallinn, 6 July 2020

Dear ICDAD members,

As you know, our 2020 Annual Meeting, originally scheduled to be held at the National Palace of Ajuda in Lisbon, Portugal, has been postponed to 2021 due to the coronavirus. However, according to the ICOM Internal Rules ICDAD must host its annual General Assembly in 2020 before 31 July. This year, exceptionally, the **General Assembly will be held online on Tuesday, 28 July, at 2 PM Paris time.**

This will be ICDAD's first ever virtual General Assembly, and we invite all ICDAD members in good standing to attend via the Zoom platform. The agenda and associated General Assembly documents will be made available two weeks prior to the meeting on the [ICDAD website](#). **For registration, please click [here](#)** (open until Sunday, 26 July, 5 PM Paris time). This meeting will be recorded for internal purposes only; the recording won't be published. If you have questions about the General Assembly or your membership, please contact ICDAD at icdad.secretariat@gmail.com.

We welcome this opportunity to answer questions from ICDAD members. In the interest of time, we ask members to please submit all questions in advance in order to facilitate the meeting and encourage the debate.

We are grateful for your patience and understanding as we try to adapt to new circumstances. On behalf of the ICDAD Board, I hope to see you at the General Assembly,

Kai Lobjakas
