**Please return this completed form and supporting documents to:** [secretary.icdad@icom.museum](mailto:secretary.icdad@icom.museum) with the subject line: "ICDAD activity grant January 2022"

**Grant information:**

All individual and institutional members of ICDAD are welcome to apply. Collaborations with ICOM national or regional groups, with other ICOM international committees, or other partners are allowed and encouraged (confirmation letter required).

Requests for funding can be submitted for the amount of **up to 1000 euros per project**. Awards will be made depending on the strength of the application and its relevance to ICDAD's core mission; the feasibility of the proposed project; the number of applications received; and the total amount of funding available (variable from year to year.)

The proposed projects should fit into the following categories of activity:

- conferences, trainings and meetings
- publications and research activities

- activities for young members
- actions encouraging exchange with emerging countries
- cooperation with other ICOM committees and/or Regional Alliances

The grantee is required to mention the ICDAD funding in an appropriate way and to add the ICDAD logo to all communication material (assets will be provided after acceptance).

Each grantee will be required to submit a report **within one month following the activity**, summarizing the activity including number of participants, itinerary and goals achieved and at least 2 photographs. This document will be uploaded to the ICDAD website and parts may be used on ICDAD social media as deemed appropriate by the board. Grantees may be asked to present their activity to the members of ICDAD, e.g., in an online presentation.

The planned activity has to take place until December 31, 2022. Grant payments can only be made upon receipts.
